Re: U.S. v. Rubin
Mag. No. ~~14-2514~~ {DEA}

14-2515 (DEA)

Dear Judge Alpert,

I write concerning my client Chaimn Rubin who has requested that he be permitted to travel for a ten day period from his home in Lakewood New Jersey to his relative homes in Fallsburg, New York which is a location about an hour from New York City. He and his family and particularly his wife have been under tremendous stress lately and this brief time away would be very beneficial to all concerned.

If permitted to travel he would be staying from July 11th - July 14th at his parent's house at 370 Laurel Ave Unit D, Fallsburg, NY 12733 with a phone number of 347-248-9959. From July 14th - July 20th he would be staying at his brother - in- law's residence located at 45 Jericho Road also in Fallsburg. That phone number is 508-385-6273.

Mr. Rubin has now been equipped with a GPS device which allows pre-trial to determine his precise location at any time rather than the prior device which only allowed for an alert if he left the confines of home confinement.

I have left a message for government counsel AUSA Joseph Gribko and am awaiting a reply as of this writing to determine the government's position re this application.

Regards,

James T. Moriarty
